But let's face it, when was the last time we published anything not written by me or one of my cronies? Other people's pimply writing gives me hives. Still, all submissions or requests for Guidelines (there are no guidelines, though) must be

accompanied by S.A.S.E. We accept liquor in lieu of cash, which is a little known fact about us. Misty S. Quinn (left) once bought us a drink. We often think of that, in our darker moments, and the memory of the free pint always makes us smile. Misty is the best of people.
