But let's face it, when was the last time we published anything not written by me or one of my cronies? Other people's pimply writing gives me hives. Still, all submissions or requests for guidelines (there are no guidelines, though) must be accompanied by S.A.S.E. Misty Quinn (left) is getting married to cover artist Jeof Vita this year, and is going to have issues of *TIS* on every table at the reception, as party favors. She just doesn't know it yet.
