But let's face it, when was the last time we published anything not written by me or one of my cronies? Other people's pimply writing gives me hives. Still, all submissions or requests for Guidelines (there are no guidelines, though) must be accompanied by S.A.S.E. Misty Quinn (left) gets very upset whenever a request for guidelines arrives, and beats me mercilessly, often taking my pants as a trophy of her triumph over me. I kind of enjoy it.
